STATEMENT OF WORK

- Contractor will supply personnel and facilities, as necessary, to service and repair equipment developed and delivered to the Government under Contract These services shall consist of approx- 25X1 imately 3387 hours direct labor and shall be directed toward, but not limited to, the following areas of work:
 - A. Maintenance, repair and modification of existing equipment delivered to the Government.
 - B. Provision of spare components.
 - C. Construction of spare unit assemblies.
 - D. Travel required of Contractor's personnel due to technical participation and observation during test of equipment.
 - E. Training of Government personnel at Contractor's facility.
 - F. Provision of additional operating and instructional information.
- Item 2. Contractor shall furnish parts and materials, as necessary, to perform the work under Item 1 above. These materials shall be in the approximate amount of 25X1
- MOTE 1: The services hereunder shall be undertaken only by specific direction of a duly authorized representative of the Contracting Officer. It should be noted that services and support of the type set forth herein are often required on an emergency basis and Contractor will proceed with the work immediately upon verbal instructions and without written authorization. It is expected that any such verbal requests will be confirmed in writing as soon as possible.
- NOTE 2: Work performed hereunder will be work reported in the monthly progress reports submitted on other Tasks of subject contract.
- NOTE 3: It is requested that specific approval of 1267 hours of premium overtime (as set forth in the estimated cost breakdown) be approved under this Task Order. This overtime will be utilized during testing of various Equipments for the Government.
